INTERNATIONAL JOURNAL OF
MULTIDISCIPLINARY HEALTH SCIENCES

Editorial

It's my privilege to introduce you Vol.XI journal issue no.III

In this issue of journal we are mainly focusing on pediatric diseases and their solutions. So It is helpful to reader for treatment aspect.

One author review the ayurvedic approach in breast milk jaundice. Tonsillitis , urine infection, dental caries are commonly seen in children. So you will get solution for that.

As usual for healthy lifestyle , Panchkarma in pediatric age and review of allergic rhinitis ,stomatitis are there in the journal. As this issue focusing on pediatric group, Kashyap samhita review article is there in journal.So keep healthy and happy by following it.

Thanking you for your support.
