INTERNATIONAL JOURNAL OF MULTIDISCIPLINARY HEALTH SCIENCES

Editorial

It's my privilege to introduce you Vol.XII journal issue no.III

In this issue of journal we are mainly focusing on non communicable diseases and their solutions. So It is helpful to reader for prevention aspect.

Author review the ayurvedic approach in Diet,Sadvrutta, daily routine ,myopia and dushta vrana. So you will get solution for that.

As usual for healthy lifestyle in pediatric age assessment of growth and childhood obesity reviews are there in the journal. As this issue one of the article is on management of mobile natal tooth which is quite interesting. So let's read it.

Thanking you for your support.
